

CSX RAILROAD CLOSINGS: May 2020 List

CSX Railroad has scheduled the attached list of crossings to be closed for repair. This will necessitate rerouting traffic. Signage will be in place marking detour routes. Please note the expected close dates.

Each crossing will be closed for 2 to 5 days, however, with one way in/out accesses, we can request special accommodations for these closures.

We will update you with changes in the schedule as they occur, as they are highly likely in this field of work.

Please note that any/all dates are subject to change due to weather and/or other unforeseen conditions.

FYI: Summers County E-911 works with CSX during closures to plan for emergency vehicle access if needed.
